Hidden Valley Junior Golf 2020

Fun. Exciting. Educational. These are three characteristics the junior golf program at Hidden Valley will focus on in 2020. Our goal is to have your children and grandchildren learn about golf; from playing the game, knowing the rules and practicing the etiquette, all while having FUN, making friends and creating memories that will last a lifetime.

We will strive to do this throughout the year in a variety of ways. The golf staff will host weekly clinics during the spring, summer and fall. There will also be summer camps that will span four or five days. Each of these clinics and camps will target different skill levels, not necessarily age groups. We may recommend an age range; however having the children in the best learning environment suitable to their specific skill set is most important.

Spring Season | April 7 - May 19

Summer Season | June - August

Fall Season | September 8 - October 20

Junior Policies

- Juniors are considered to be the child or grandchild, under the age of 18, of a member.
- Juniors 16 years and older that ride in a golf cart will be assessed the normal member cart fee. Juniors less than 16 years old will be assessed \$11 for an 18 hole round and \$5.50 for a 9 hole round if they ride in a golf cart. There is no charge to walk.
- Juniors are allowed to use the practice facilities. Adult supervision is required unless otherwise approved by the Head Professional.
- Juniors under the age of 16 are not allowed to operate golf carts at any time, even if an adult is riding in the cart at the same time. Juniors with a valid learner's permit are allowed to drive a golf cart after approval from the professional golf staff. Juniors 16 and older must have a valid driver's license in order to operate any golf cart.
- Juniors may have junior guests. The rate for any junior guest is \$20 whether they walk or ride.
- Dress attire & etiquette fall under the same policies as all members and guests.

Spring Season

Spring Season | April 7 - May 19

Each week we will attempt to host junior 'parties'! A 'party' is the new clinic. Why would a junior want to come to more lessons or clinics after they've been in school all day? Our parties will focus primarily on learning about the golf swing, learning the rules and etiquette of the game while mixing in drills, games and other activities. There may be opportunities to play on the golf course depending on the size of the group.

'Hey, Let's Play' is an on course opportunity for juniors (ages 9 and older) to learn more about the game of golf where it is actually played; on the course where the juniors will play as many holes as possible. Juniors have to meet a small number of requirements in order to participate in this program; firstly, juniors must be able to carry their own bag as we will be walking the golf course. Second, juniors must be able to keep their own score. Third, juniors must possess basic knowledge of the rules and etiquette. Finally, juniors under the age of 9 must get approval from the Head Golf Professional in order to participate.

Tuesdays | 4-5p | Beginner Juniors

Thursdays | 4-5p | Intermediate Juniors

Fridays | 4-5p | 'Hey, Let's Play' | Intermediate Juniors

The cost to attend each party is \$15 per child for golf and non-golfing members. Juniors are welcomed to bring friends even if they aren't a member!
