

Dear Hidden Valley Member:

As you are aware, national, state, and local governments have announced, and will continue to update, policies and recommendations related to the coronavirus outbreak. America's strength as a nation will be demonstrated as we all tackle this crisis together, as it has been demonstrated time and again over our history.

In conjunction with the most recent announcements, and in an effort to balance safety and service for our members and to comply with social distancing, we want to update you regarding operations and precautions at your club.

**1) Golf**

The golf course will remain open.

Carts will be disinfected and cleaned after each use.

Carts can be driven singly without extra charge (based on availability).

Flagsticks should be left in place., however rakes and water coolers may be removed during this time

**2) Food & Beverage**

Indoor dining and events at the club will be suspended for a minimum of two weeks.

We will provide takeout (including curbside service on request) for both lunch and dinner. All orders will be picked up at the main front doors.

**3) Indoor Facilities**

All other indoor facilities will be closed for a minimum of two weeks. Men's and Women's locker rooms will be available, and cleaned regularly.

As we have instructed our staff, please do not come to the club if you have any reasonable risk of exposure or are feeling any symptoms. As health officials have emphasized, we must protect each other by acting prudently and cautiously.

In two weeks, or as events require, we will update you.

Thank you for your understanding and cooperation. If you have any questions, please contact us.

Sincerely,

W. Douglas White
